Hi Renee,

Jhakil left LAHSA last year, unfortunately. We miss him a lot.

We're between supervisors in Service Planning Area 5, which includes all of CD 11. Right now Brenda is acting Supervisor for regular SPA 5 HET, and Yesenia is Supervisor for OWB HOPE HET. Pearl is acting Manager for both.

That said, the best way to get us your priorities is to send them directly to Matthew. Since we have several teams working this area, we usually ask supervisors to only respond to the CSLA priorities that Matthew sends, so he can act as the air traffic controller and make sure that the appropriate team is assigned to each CSLA request.

We have a team visiting these CD 11 sites today. They had a few follow-ups that they could not reschedule, but we asked them to cancel anything else that wasn't absolutely necessary for today, so they can focus on those sites you sent us on Friday, instead. I'm not sure how many they'll be able to get to today, but we'll keep you updated. Venice and Globe will definitely get authorized since that location is regularly visited by OWB HOPE.

Hi Renee,

Did you send these directly to a team? We assigned outreach based on the attached list from Thursday. Let me know what team might be working on those. Otherwise, I'll see what we can get assigned for these sites below.
